Lesson 36 - The Battle of Jericho

Cut out the puppets below. These are Israelites who are going to fight in the battle of Jericho. The people of Israel had been wandering in the wilderness for 40 years, so they still just looked like regular people. They didn't look like soldiers, with weapons and armor. Use these puppets for the Jericho scene on pages 86-87. As children review the story, have the puppets "walk" around the city. Notice the red rope hanging out of Rahab's window.
